

Amendments to the Claims:

Please cancel claims 5, 6, 15, 16, and 21-57

Please amend claims 1, 7, 11 and 17 as follows.

This listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims:

1. (Currently Amended) A desk, comprising:
a frame;
a screen attached to said frame;
a keyboard attached to said frame; **[[and,]]**
a transporter computer plugged into said frame and coupled to said keyboard and said screen; and,
a backplane that is attached to said frame and coupled to said transporter computer,
wherein said backplane includes a backplane identification that is unique to said backplane.
2. (Original) The desk of claim 1, further comprising a battery module plugged into said frame and coupled to said transporter.
3. (Original) The desk of claim 1, wherein said screen is attached to a cover that can rotate relative onto a table top of said frame.

4. (Original) The desk of claim 1, wherein said frame includes a table top and a plurality of legs that are constructed from a molded plastic material.

5. (Cancelled)

6. (Cancelled)

7. (Currently Amended) The desk of claim ~~[[6]]~~1, wherein said transporter computer retrieves said backplane identification and transmits a network re-configuration command.

8. (Original) The desk of claim 1, further comprising a wireless transceiver coupled to said transporter computer.

9. (Original) The desk of claim 1, wherein said transporter computer contains a wireless transmitter.

10. (Original) The desk of claim 1, further comprising a lock that secures said transporter computer to said frame.

11. (Currently Amended) A desk, comprising:
a frame;
a screen attached to said frame;
a keyboard attached to said frame; ~~[[and,]]~~
transporter computer means for plugging into said frame and being coupled to said keyboard and said screen; and,

backplane means for coupling said transporter computer means to said screen and said keyboard, wherein said backplane means includes a backplane identification that is unique to said backplane.

12. (Original) The desk of claim 11, further comprising battery module means for plugging into said frame and being coupled to said transporter computer means.

13. (Original) The desk of claim 11, wherein said screen is attached to a cover that can rotate relative onto a table top of said frame.

14. (Original) The desk of claim 11, wherein said frame includes a table top and a plurality of legs that are constructed from a molded plastic material.

15. (Cancelled)

16. (Cancelled)

17. (Currently Amended) The desk of claim ~~[[16]]~~11, wherein said transporter computer means retrieves said backplane identification and transmits a network re-configuration command.

18. (Original) The desk of claim 11, further comprising a wireless transceiver coupled to said transporter computer means.

19. (Original) The desk of claim 11, wherein said transporter computer means contains a wireless transmitter.

20. (Original) The desk of claim 11, further comprising lock means for securing said transporter computer means to said frame.

21-57. (Cancelled)
